

## IB Discrete Math Project Due Dates

- 1) Introduction (Criterion A) – due 2/12
- 2) Data Collection (Criterion B) – due 2/27
- 3) Math Processes & Calculations (Criterion C) – due 3/13
- 4) Interpretation of Results & Validity (Criteria D & E) – due 3/20
- 5) Peer editing will take place on 3/23
- 6) Final project due on 3/25**

The IB scoring rubric and details about each section can be found on Mr. LaViollette's Web Page.

The score on Structure & Communication (Criterion F) will be based on your correct usage of terminology & symbols, and the readability of your project. Your Commitment score (Criterion G) will be based on your ability to meet these deadlines and your effectiveness as a peer editor. The final deadline is not negotiable, and late projects will not be accepted.
