

SAMPLE

Olympia School District
Department of Music
Field Trip Permission Form

During the school year 2014 – 2015 your son/daughter could be traveling on a music field trip(s) such as a festival, contest, and/or rehearsal where district or other transportation is required to move the ensemble or large group. Some of these trips will be out of the Olympia city area.

The District Music Department would like all parents to understand more detailed information will come available before each music field trip event is going to take place and anything over the night will be a function that involves school board approval as well as separate permission for you the parents.

A separate form regarding medications for the student will always be required and will be kept on file in the school nurse's office All students will file out a health card similar to a sports card and the music teacher will always have that with them on the trip in case of any emergency.

I understand that more detailed information about each trip will be available as they occur and this is the only permission slip necessary for the year for daytime field trips.
